AGGRESSIVE

Republicans of the Ninth District Held Enthusiastic Meeting Here Yesterday

Wonderful Change in Favor of G. O. P. and "Ship of State" Is About To Sail On Again

Republican Nominee For Congress Before August Primary—Free For All

An important confab of Republican leaders of the Ninth Congressional District was held here yesterday at the Central Hotel to prepare for the primary of August 1st. An open field for the candidates was declared and there are three receptive candidates recognized—A. J. Pennington of Carter, H. G. Ireland of Carter and William H. Harrison of Fleming—though it is understood that Hon. H. G. Ireland of Carter County will most likely lead the Grand Old Party as Congressional candidate in November.

Nine counties were directly represented by delegates, organized and having a chairman. The other ten counties in the district sent numerous letters expressing their warm enthusiasm and hopes for the G. O. P. The feeling all through the meeting as voiced by every speaker was that a complete return to the Republican party had been made by all who were affiliated with it before the recent split, and that a sweeping victory was assured in November.

On the first trains yesterday the leaders from all over the district began to arrive and before ten o'clock there were some twenty odd gathered at the Central Hotel, the old camping grounds for political conferences. The meeting though unofficial and not a committee meeting was called together by the Hon. F. H. McCartney of Flemingsburg, chairman of the Republican Committee of this District. The sitting was in an upstairs parlor of the hotel. Mr. McCartney was chosen chairman of the meeting with C. A. Norris of Bracken County as secretary. Mr. McCartney immediately gave the floor to the speakers. The crowd gathered was so very enthusiastic that two men spoke before adjournment to dinner was made at 12:30.

The speakers were: Honorables Robert Buckler of Mt. Olivet; J. T. Dietrich of Boyd County; I. N. Monson of Harrison County; J. W. Black of Rowan County; Harry Purnell of this city; Ray C. Moore and H. C. Metcalfe of Bracken County; G. W. E. Woolford, Carter County; C. L. Tanniss of Lewis County, and William D. Cochran of this city.

Each speaker had as their leading theme the welcoming back to the fold of all citizens and voters irrespective of their record or affiliations and a decided opinion and belief that a great victory was awaiting the old party at the polls in November.

A happy opportunity or situation lends itself to the Republican party at this moment in the fact that a decided and almost unanimous return to the ranks has already been made. Also in the fact that there is complete harmony in the party and that the three receptive candidates, A. J. Pennington, H. G. Ireland and William H. Harrison, are all looked upon as winners and complete confidence and enthusiastic support will be placed in the man chosen.

An adjournment for dinner was made at 12:30. The meeting was again called together at 2 o'clock but nothing further was voted and final adjournment was soon made.

A complete list of those present and the counties they represented and vouched for is as follows:

7 TO 4

Maysville Fute It On Paris—Sanford Strikes Out 11—Netter Rejoins Team.

Maysville took the first game of the series from Paris yesterday by the score of 7 to 4 in an interesting and well played game.

Sanford did slab work for the locals and was invincible after the third inning when three runs were scored off his delivery.

Hanna worked for the visitors and was touched up frequently and timely. His support was also very bad. Hobbs, a last year's player, who rejoined the team yesterday had three errors at second out of six chances.

Johnny Netter returned from Cincinnati and replaced Badel in right field. He had a splendid day at bat, getting three hits out of three times at bat, one walk and a sacrifice fly which scored a run.

The box score follows:

RIGHT OFF THE BAT.

"Humpy" Badel was given his release yesterday.

Gohr, Emery, Netter and Utrecht led in the hitting honors yesterday.

Doc Crowe will pitch for Maysville today and Hart will probably work for Paris. Go out and give Crowe a good send-off.

Yesterday's game was the first one won on Ladies' Day by the locals this season. It took Ed Sanford to break the hoodoo.

Paris plays here again today. Game called at 3:15 o'clock. Come out and help the boys make it two straight from Paris, the team that in the old Blue Grass League used to have our goat.

The team had more life and ginger yesterday than usual and they looked more aggressive than they have in a long while. What Maysville needs is about two more good pitchers and a good firstbaseman, and Chapman should be back in left.

NOTES ON CITY AMATEUR LEAGUE GAMES.

The next games to be played in this league will be Friday at 10 a. m.

The Fifth and Second Wards played at the Ball Park. Linnie umpired.

The Fourth and Third Wards played at Hunter Bottoms. Umpire being Dr. Quigley.

Deafness Cannot be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a running, sounder, imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; unless cases of deafness are cured by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circular free.
